DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

### NOTICE OF NON-RESPONSIVE AMENDMENT

1. The reply filed on 26 October 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant has not presented any arguments regarding new Claims 18 or 19. Per 37 CFR 1.111(b), Applicant is required to present arguments pointing out the specific distinctions believed to render the claims, *including any newly presented claims*, patentable over any applied references (emphasis added).

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

2. Regarding the rejections under 35 U.S.C. 112, second paragraph, the Examiner notes that the proposed amendment to Claim 12 still includes the phrase "such as", which renders the claim indefinite because it is unclear whether the limitations following the phrase are part of the claimed invention. The Examiner further reminds the Applicant to take care regarding proper antecedent basis for claimed limitations and other potential causes of indefiniteness in order to avoid further rejections under 35 U.S.C. 112, second paragraph.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Zachary A. Davis whose telephone number is (571) 272-3870. The examiner can normally be reached on weekdays 8:30-6:00, alternate Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Emmanuel Moise can be reached on (571) 272-3865. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
